

MPN: NLCASE1P

Product Name: 17 Compartment 401 x 301 x 69mm Plastic Case

Brand: Newlec

Category: Storage

Product Description: The NLCASE1P is a versatile 17-compartment plastic case designed for efficient storage and organization of small parts. With dimensions of 401 x 301 x 69mm, this durable case provides ample space for various components. The transparent polycarbonate lid allows for easy visibility of the contents, while the sturdy construction ensures long-lasting use. Whether for professional or personal use, the NLCASE1P offers a convenient solution for keeping small items neatly arranged and easily accessible.

Key Features:

- 17 plastic compartments, each 63mm high, for efficient organization.
 - Durable polycarbonate lid for clear visibility and protection of contents.
 - Secure design prevents compartment shifting during transport.
 - Interchangeable compartments accommodate a range of small parts.
 - Multiple sizes available to accommodate various small components.
 - Lid features multiple location points for secure closure on each compartment.
-

Specifications:

- Dimensions: 401 x 301 x 69mm
- Material: Plastic
- Number of Compartments: 17
- Compartment Height: 63mm
- Lid Material: Polycarbonate

ETIM Class-9.0: Assortment box empty (EC003616)

Applications:

- Ideal for organizing and storing small parts in workshops, garages, manufacturing facilities, and more.
- Suitable for use in various industries, including electronics, automotive, and maintenance.
