

MPN: NLPLH8

Product Name: 8 x 40mm High Performance Universal Fixing Grey Wall Plug

Brand: Newlec

Category: Wall Plugs

Product Description: The NLPLH8 is a high-performance universal fixing grey wall plug designed for both solid and hollow building materials. Its 8 x 40mm size makes it suitable for a wide range of applications. The nylon plug features a 4-way expansion, providing optimum force distribution and high load-bearing capacity. Its expansion-free neck prevents damage to finished surfaces, while the pronounced rim prevents the plug from slipping into the drill hole. This wall plug is ideal for installations in hollow building materials, offering reliability and durability.

Key Features:

- Nylon plug with 4-way expansion providing optimum force distribution
 - High load-bearing capacity in solid and hollow building materials
 - Expansion-free neck avoids damage to finished surfaces
 - Pronounced rim prevents plug slipping into drill hole
 - Ideal for installation in hollow building materials
-

Specifications:

- Size: 8 x 40mm
- Colour: Grey
- Material: Nylon

ETIM Class-9.0: Wall plug (EC000089)

Applications:

- Suitable for a wide range of applications in both solid and hollow building materials.
