

MPN: NLSCFSELV

Product Name: 100mm White Continuous Running Centrifugal Wall Fan With Boost Function + Timer + Pullcord

Brand: Newlec

Category: Domestic Fans

Product Description: The 100mm White Continuous Running Centrifugal Wall Fan with Boost Function + Timer + Pullcord from Newlec is a high-performance ventilation solution suitable for ducted applications where higher pressures are required. Its self-cleaning centrifugal impeller and slimline profile make it an ideal choice for various domestic ventilation needs. With extract rates ranging from low trickle to boost settings, this fan offers efficient air extraction while maintaining low power consumption and minimal noise levels. Additionally, its suitability for bathroom zone 1 areas containing a fixed bath or shower makes it a versatile and reliable choice for residential ventilation needs.

Key Features:

- Suitable for ducted applications where higher pressures are required
- Self-cleaning centrifugal impeller
- Slimline profile (90mm depth) or flush mounted (17mm depth)
- Extract rate in Low Trickle: 8l/s (28.8m³/h), High Trickle: 13l/s (46.8m³/h), Boost: 25l/s (90m³/h)
- Power consumption in Low Trickle: 1.5W, High Trickle: 2.5W, Boost: 8W
- Sound Level in Low Trickle: 11dB(A) @ 3m, High Trickle: 16dB(A) @ 3m, Boost: 36dB(A) @ 3m
- Suitable for bathroom zone 1 areas containing a fixed bath or shower

ETIM Class-9.0: Centrifugal fan (EC010994)

Applications:

- Residential ventilation
- Bathroom ventilation
- Domestic air extraction
