

MPN: NLCC5

Product Name: 12.7mm No5 Polyethylene Black Armoured Cable Fixing Cleat

Brand: Newlec

Category: Cable Fixing Cleat

Product Description: The NLCC5 is a heavy-duty black plastic cable fixing cleat designed for clamping and securing armoured cables. It is suitable for industrial and commercial applications, offering high strength, impact resistance, and stability in temperatures ranging from -35 to 85°C. The polyethylene material used in its construction ensures durability, corrosion resistance, and UV light resistance.

Key Features:

- Heavy-duty construction for robust performance.
- Stable at temperatures ranging from -35 to 85°C.
- Suitable for industrial and commercial applications.
- Corrosion and UV light resistant.
- Polyethylene material for strength and durability.
- Designed for clamping and securing armoured cables.
- High strength and impact resistance.

Specifications:

- Material: Polyethylene
- Colour: Black
- Size: 12.7mm No5
- Temperature Range: -35 to 85°C
- Corrosion Resistance: Yes
- UV Light Resistance: Yes

ETIM Class 9.0: EC012160

ETIM Features:

- Material: Plastic (EV000139)
- Surface Protection: Untreated (EV006034)

Applications:

- Industrial facilities
- Commercial buildings
- Construction sites
- Power plants
- Telecommunication networks
