

MPN: NLCASE1M

Product Name: 17 Compartment 380 x 270 x 66mm Metal Case

Brand: Newlec

Category: Storage

Product Description: The NLCASE1M is a 17 Compartment Metal Case designed for efficient storage of small parts and tools. It comes with 17 plastic compartments, each 63mm high, which are interchangeable and offer a range of useful sizes to accommodate multiple variations of small parts.

Key Features:

- Two strong spot-welded toggle catches for secure closure.
 - Case lid equipped with a foam sheet to compress down onto the compartments, ensuring items stay in place during transport.
 - Extra push-release safety-catch to reduce the risk of spillage.
 - Versatile: The 17 compartments provide plenty of space to store a variety of small parts and tools.
-

Specifications:

- Dimensions: 380 x 270 x 66mm
- Material: Metal with plastic compartments
- Colour: Grey

ETIM Class-9.0: Assortment box empty (EC003616)

Applications:

- Ideal for organizing and storing small parts, components, and tools in workshops, garages, and industrial settings.
