

DRAIN UNBLOCKER

MAXIMUM POWER

Industrial strength formulation sinks through standing water to burn out blockages and get your drain flowing freely again. Safe for use with all types of pipe work. Can also be used as a regular drain maintainer to maintain free-flowing drainage.

- Industrial strength formulation
- Sinks through standing water
- Destroys blockages & odours

DIRECTIONS FOR USE:

FOR BLOCKED SINKS, PLUGHOLES, DRAINS: Pour at least 500ml of B13 Drain Unblocker down the plughole or into drain opening. Clean up any spillages immediately. Allow to work for at least 30 minutes then thoroughly flush through with very hot water.

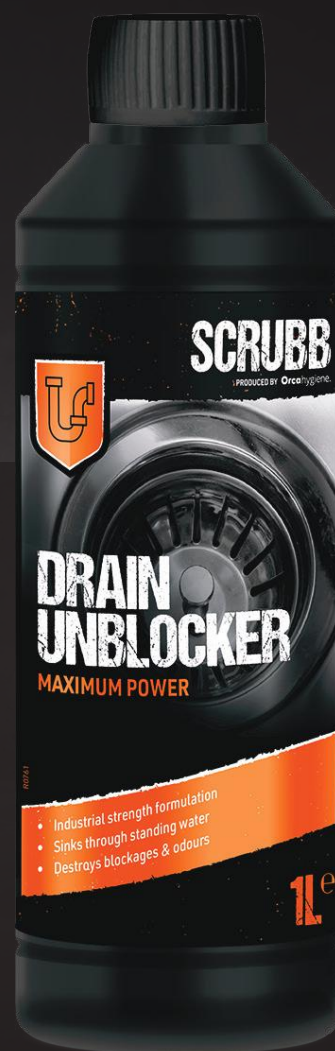

FOR REGULAR DRAIN MAINTENANCE IN KITCHENS, WASHROOMS ETC:

Pour 100ml-250ml into plughole one or twice a week to prevent bad odours and blockages. Take care to clean up any spillages.

CONTAINS:
SODIUM HYDROXIDE

SCRUBB
