

1-Piece Fixing Ties with Mounting Head for Screws

This range of one piece cable ties have a built in mounting hole and once fastened around the cables it can be simply secured to the panel with a screw or bolt.

The tie is fitted to the panel first and then the cables can be added.

Features and Benefits

- One-piece bundling and fixing tie
- Quick and easy installation

The mounting head ties can be easily screwed onto a panel.

Material specification please see page 24.
