

## plug - 7 poles, with Multi-Grip

### Product description

|                        |                                     |
|------------------------|-------------------------------------|
| Order number           | 21669                               |
| EAN/pcs                | 4024941216692                       |
| Product Group          | TE plug with Multi-Grip cable gland |
| Amperage               | 32A                                 |
| Poles                  | 7p (6p+PE)                          |
| Earth 'Clock' Position | 6 h                                 |
| Voltage                | 400V                                |
| Frequency              | 50 and 60Hz                         |
| Protection             | IP67                                |
| Color code             | red RAL 3000                        |
| Connection Design      | screw terminal                      |
| Max. conductor         | 6,0 mm <sup>2</sup>                 |

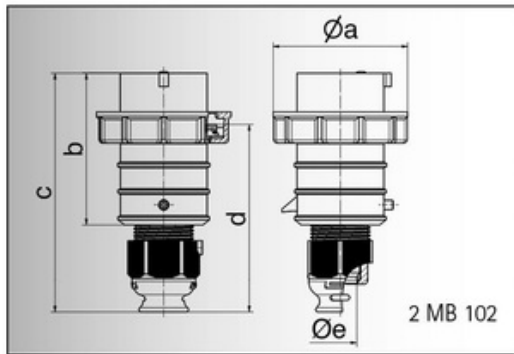

### Further Information

|                                  |                                                                                                                                                    |
|----------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------|
| Additional technical information | Multi-Grip cable gland with gasket, integrated cable clamp and additional water evacuation openings<br>For cable diameter from 13 up to max. 27 mm |
|----------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------|

### Material

|                           |                                                                                               |
|---------------------------|-----------------------------------------------------------------------------------------------|
| Material of Enclosure     | Polyamide                                                                                     |
| Contact / Contact Carrier | contact carrier made of high temperature resistant material, contacts are brass nickel plated |
| Weight/pcs                | 0.401 kg                                                                                      |
| Packaging unit            | 10 pcs                                                                                        |
