

Surface BESA Digital PIR Occupancy Sensor

Technical Properties

Supply voltage	230V +10% / -15%
Frequency	50/60 Hz
Colour	white
Detection angle	360 °
Diameter of the floor detection area	7 m
Protection class	isol.class II
Protection index IP	IP41
Remote controllable	EEK001, EEK002
Time delayed range	1min to 1h
