Lounge Plate

Where multiple power, telecom, TV and AV outlets are required in one place, Deta's Lounge Plate provides the perfect solution.

Deta Lounge Plates provide the flexibility to configure the installation to meet your individual requirements.

To make the installation even easier, the flush mounting box has a divider between the mains voltage sockets and the extra low voltage modules (refer to BS7671 IEE Wiring Regulations).

Also available in Slimline and Slimline Décor ranges.

*Special order product, minimum order quantity and lead time applies

Back Box

	width	height	depth
DB184	250mm	192mm	40mm

Chrome and Satin Chrome finish available with either black or white inserts. Black Nickel finish available with black inserts only

When ordering, please indicate preference by adding suffix B or W at the end of the catalogue number.
