

A range of infra red lamps harnesses the large amounts of energy radiated by incandescent reflector lamps to provide an extremely useful lamp for heating in commercial or industrial applications. A ruby coloured glass version is also available for animal husbandry uses.

- 5,000 hour long life
- Diffused, ruby or clear finish
- R125 soft or hard glass envelope
- ES-E27 and BC-B22d cap
- Internally fused for safety
- Heat source lamps must be 0.5m from other objects
- Protect from contact with liquids/ humidity to prevent breakage from thermal shock
