

Product	Description	Code																																																						
	AIR VALVE FOR EXTRACTION: - Ø 80 - Ø 125	22326 22327																																																						
	AUTOMATIC AIR INLET: EA 15 BL Automatic air inlet 15 m³/h EA 30 BL Automatic air inlet 30 m³/h.																																																							
	AUTOMATIC ACOUSTIC AIR INLET: EAA22-BL Automatic acoustic air inlet 22 m³/h EAA30-BL Automatic acoustic air inlet 30 m³/h EAA40-BL Automatic acoustic air inlet 45 m³/h.																																																							
	ADDITIONAL SPIGOT: Additional spigot.	22847																																																						
	CONTROLS: External RF Receiver Module RF Remote Controller White. An additional remote-controlled radiofrequency RF device including a connection cable is available as an optional accessory and allows control of the appliance even if the position chosen for its installation is shielded from radio waves.	22479 22464																																																						
	SPEED REGULATOR: three-speed selector switch.	22478
