Eco passport

TForce Core LED HPL 36W E40 830 FR

Trueforce CorePro LED HPL

The new Philips Trueforce Core LED HPL lamps offer you an easy, short-payback LED solution to replace High Intensity Discharge (HID) lamps. This new generation of products brings all the energy-efficiency and long-lifetime benefits of LED to HID replacement, while providing instant saving with a low initial investment. Furthermore, they're designed to have the same lamp size and light distribution as other HID lamps, so you will never know the difference. All thanks to our High-Power LED filament technology. Plus, its unique IP65 design means that it can be used for outdoor use as well as indoor use.

Our eco passport

Signify leads the way to brighter lives and a better world. As part of the design process we innovate to reduce environmental impact and bring wider benefits to the world we operate in.

We know this is important to you too. So we have developed an eco passport explaining the environmental and social performance of our products in eight Sustainable Focal Areas, developed through our Sustainable Design process since 1994.

Energy

- Dimmable: No
- Energy Efficiency Class: D
- Luminous efficacy (rated) (nom.): 152.00 lm/W
- Power (Rated) (Nom): 36 W

Circularity

- Nominal lifetime (nom.): 25000 h

Packaging

- SAP Weight Paper Unit (Case): 1.514 kg
- SAP Weight Paper Unit (Piece): 0.145 kg

Substances

- EU RoHS compliant: Yes

Weight & Materials

- SAP net weight (piece): 0.190 kg

Energy efficiency ranking / External awards
