CorePro GLASS LED candles and lustres

Featuring a classic heritage design, Classic filament LED lamps combine the familiar shapes of classic incandescent bulbs with the benefits of the long-lasting LED technology. An easy choice for people who are looking for the replacement for retrofit LED candles and lustres: compared to conventional lamps, it provides a 90% energy saving. CorePro Glass LED candles and lustres provide excellent quality of light. By offering a lifetime of 15,000 hours, they reduce maintenance costs.

Our eco passport

Signify leads the way to brighter lives and a better world. As part of the design process we innovate to reduce environmental impact and bring wider benefits to the world we operate in.

We know this is important to you too. So we have developed an eco passport explaining the environmental and social performance of our products in eight Sustainable Focal Areas, developed through our Sustainable Design process since 1994.
