

DESCRIPTION:

Pick & Mix Kits enable you to choose the markers you require. First decide whether you want a large kit (with 50 compartments), medium kit (with 32 compartments), or a small kit (with 18 compartments), all complete with an applicator. Then select which markers you require, numbers, letters etc. We'll make up the kit for you with 200 of each of the markers you require. (Except EMK 6.0 which have 100 markers of each).

APPLICATIONS:

General panel building, mass transit, telecoms and utilities.

SPECIFICATION:

COLOUR OPTIONS: Black on White or Colour Coded.

MATERIAL: Easy-to-handle soft PVC compound

SERVICE TEMPERATURE RANGE: -45°C to +70°C

AVAILABLE MARKS:
