FLEXI-ROUTE MARKING KIT

The Flexi-Route marking kit contains all the components that are necessary for producing marking on site. These components are also available to order separately so you are able to refill your kit as and when needed. The kit contains the most common characters, made from good resistance, durable PVC material.

KIT CONTENTS:

1 x Carrying Case

2 x Strips (40 characters) Black on Yellow of every letter, figure and symbol (total of 1960 characters).

2 x Un-printed strips (40 blanks).

5 x Strips of transparent channel, 285mm long.

5 x Strips of transparent self-adhesive channel, 285mm long.

100 x Cable Ties.

40 x PE 2 Locking Studs.

20 x FLG5242 End Caps.

1 Pair of Punch & Cut Pliers.

1 x Indelible Marker Pen.
