

DESCRIPTION:

Easi-Clip snap-on markers are convenient and easy to use. The markers are supplied on a wand applicator that simplifies and reduces installation time. The applicator has a patented slit to prevent over-expansion of the marker during application. Designed to stand the test of time, preventing costly re-work before the life of the equipment ends. Easi-Clip snap-on markers are the perfect way to permanently and rapidly mark cables, wires, leads, and cores after termination and installation.

APPLICATIONS:

Ideal for electrical contractors, panel building and the data telecommunications industry.

SPECIFICATION:

COLOUR OPTIONS: Black on White, Black on Yellow or Colour Coded.

MATERIAL: Polyoxymethylene, UL94 HB Rated Zero Halogen Material.

SERVICE TEMPERATURE RANGE: -40°C to +125°C

CHEMICAL RESISTANCE: Oils, fuels and alkaline solutions.

AVAILABLE MARKS:

Black on White (B/W)

Black on Yellow (B/Y)

Colour Coded (C/C)
