

13A SWITCHED FUSED  
CONNECTION UNIT

Part Number (2501425339 | NLS8313/S)

Product Description

A new take on traditional moulded wiring accessories manufactured in bright white Urea.

| DESCRIPTION              |                                                                                                                   |
|--------------------------|-------------------------------------------------------------------------------------------------------------------|
| Voltage                  | 240V~ 50Hz                                                                                                        |
| Current Rating           | 13A                                                                                                               |
| Torque Value             | 2.0Nm                                                                                                             |
| Cable Size               | 3 x 2.5mm <sup>2</sup> or 2 x 4.0mm <sup>2</sup>                                                                  |
| Double Pole              | Yes                                                                                                               |
| Twin Earth               | Yes                                                                                                               |
| Back Box Depth           | 25mm                                                                                                              |
| Anti Microbial Certified | Yes                                                                                                               |
| IP Rating                | IP20                                                                                                              |
| Operational Temperature  | -5° to +40°C                                                                                                      |
| Standards                | The Low Voltage Directive 2006/95/<br>EC, Modified ISO 22196,<br>BS 1363-4:1995+A4:2012.<br>Fuses to BS 1362:1973 |
| Dimensions               | 86x86x9.5mm (HxWxD)                                                                                               |

| DESCRIPTION          |                                                                  |
|----------------------|------------------------------------------------------------------|
| Material Composition |                                                                  |
| Front Plate          | Urea                                                             |
| Terminal Housing     | Urea                                                             |
| Terminals            | Brass                                                            |
