

IP66 2 GANG  
DOUBLE POLE 13A RCD  
PROTECTED  
SOCKET OUTLET

Part Number (2501425401 | NLWP8600/2RCD)

Product Description

Constructed from a High Impact Resistant material. Designed to withstand ingress from dust and water, in both indoor and outdoor applications.

| DESCRIPTION          |                               |
|----------------------|-------------------------------|
| Material Composition |                               |
| Housing              | Polycarbonate UV resistant    |
| Socket Plate & Rear  | Urea Front plate : Nylon Base |

| DESCRIPTION             |                          |
|-------------------------|--------------------------|
| Knockouts               | 8 x 20mm                 |
| Voltage                 | 240V ~ 50Hz              |
| Current Rating          | 13A                      |
| RCD Protection          | 30mA 40ms                |
| Torque Value            | 2.0Nm                    |
| Padlockable             | Yes                      |
| Double Pole             | Yes                      |
| Short Circuit Withstand | 1500A                    |
| Breaking Capacity       | 250A                     |
| RCD Type                | A                        |
| Twin Earth              | Yes                      |
| Earth Terminal in Box   | Yes                      |
| Cable Size              | 3x2.5mm <sup>2</sup>     |
| IP Rating               | IP66                     |
| Standards               | BS1363:2 BS7288          |
| Mounting                | Surface                  |
| Dimensions              | 150 x 165 x 75mm (HxWxD) |
