

UAF10032

Adaptor frame for DIN-base

W	1000
D	320
Item no.	UAF10032

Description: Enclosure and adaptor frame are anchored on to the DIN-base.

Material: Glass fibre reinforced polyester.

Finish: RAL 7035.

Delivery: 1 piece with mounting accessories.

This DIN-base adaptor, together with the UMPS DIN base, allow modular polyester wall mounted enclosures to be installed outdoors, making it possible to install cables channelled underground quicker.
