

# GCPZ10

Mounting plate

W	1000
h	790
w	899
Item no.	GCPZ10

**Description:** Standard mounting plate for MPG(S) console.  
Adjustable in depth using MPGDA accessory.

**Material:** 2.5 mm galvanized steel.

**Pack quantity:** 1 plate with mounting accessories.

The steel mounting plate contributes to speeding up the assembly of the console, since it can be machined easily and equipped with components before being mounted.
