

Product End-of-Life Instructions

Resi9 Modular Plastic Enclosure

Product End-of-Life Instructions – EoLI

Product overview

Product Range: Resi9 Modular Plastic Enclosure

Marketing Model/Name: GDP: 61364

Size: from 250x252x108mm up to 625x357x108mm

Weight from 1060g up to 3400g

Purpose

The product family must be disposed according to the legislation of the country. This document is intended for use by end of life recyclers or treatment facilities. It provides the basic information to assure an appropriate end of life treatment for the components and materials of the product.

Operations recommended for the end of life treatment

There are several steps to process the products at the end of life so as to recover components, materials or energy :

Reuse → Separation for special treatment → Other dismantling → Shredding

Product End-of-Life Instructions – EoLI

The components of the products that optimize the recycling performances are listed, identified and located hereunder.
