

Product End of Life Instructions

VIGIREX RHU 220-240VAC - Residual-current protection relay

 **End of Life Instructions**

Recommendation	Number on drawing	Component / Material	Weight (in g)	Comment
To be depolluted	1	Printed circuit board	24.2	
To be depolluted	2	Printed circuit board	43.5	
To be depolluted	3	Printed circuit board	15.6	
To be depolluted	4	Printed circuit board	143.5	

Product description

Manufacturer identification	Schneider Electric Industries SAS
Brand name	Schneider Electric
Product function	Vigirex RHU residual-current relays, with associated toroids, measure earth-leakage current in the electrical installation. They provide residual-current protection and earth-leakage monitoring.
Product reference	LV481003
Total representative product mass	356g
Representative product dimensions	72mm x 72mm x 117mm
Date of information release	02/2017

Additional information

Legal information	This product family is in the scope of European Union directive 2012/19/EU on Waste Electrical and Electronic Equipment (WEEE). The product family must be disposed according to the legislation of the country. This document is intended for use by end of life recyclers or treatment facilities. It provides the basic information to assure an appropriate end of life treatment for the components and materials of the product.	
Recyclability potential	32%	Based on "ECO'DEEE recyclability and recoverability calculation method" (version V1, 20 Sep. 2008 presented to the French Agency for Environment and Energy Management: ADEME).
