

1SVD982001-4501

To: Whom it May Concern

Subject: REACh Regulation for Power Supplies

Heidelberg, October 17th, 2022

With reference to the Regulation (EC) No 1907/2006 issued by the European Parliament and of the Council concerning the Registration, Evaluation, Authorization and Restriction of Chemicals (REACh) entered in force on 1st June 2007, please be informed that:

- ABB continuously assesses its products for content of Substances of Very High Concern (hereinafter SVHC), included in the "Candidate List" by the European Chemicals Agency (ECHA) as per Annex XIV of the REACh Regulation
- under normal and reasonably foreseeable usage conditions, products manufactured by ABB do not intentionally release any substance or preparation
- a substance on its own, in a preparation or in an article, for which Annex XVII contains a restriction is not manufactured, placed on the market or used inside ABB products unless it complies with the conditions of that restriction.

According to the current best knowledge and according to the information provided by suppliers, ABB states that manufactured power supplies comply with the materials and the restrictions in Regulation (EC) No 1907/2006, and that no SVHC listed in the "Candidate List" updated on January 17th, 2022 is present in those products in excess of 0.1% w/w.
