

## Manufacturer's declaration on Directive 2011/65/EU (RoHS 2)

As a sustainable company, we continuously review the provisions of Directive 2011/65/EU (RoHS 2) of the European Parliament and Council on the restriction of the use of certain hazardous substances in electrical and electronic equipment and in terms of all delegated directives amending Directive 2011/65/EU.

We confirm the compliance with the substance bans specified in Directive 2011/65/EU, taking into account the limit values and application exceptions defined in accordance with the directive and its delegated legal acts for all product series from Albrecht JUNG GmbH & Co. KG.

On the basis of future changes in legal requirements and in the case of changes to substance lists, device categories, information requirements or the scope of Directive 2011/65/EU that are relevant to our products, we provide the necessary documents and information in a timely manner.
