Visualization Lighting Management; M; Single License; Online activation

https://www.wago.com/2759-2102/271-1000

WAGO Visualization Lighting Management provides an optional independent user interface for operating and monitoring WAGO Lighting Management (2759-0204/0261-1000). Whether on a desktop PC, touch panel, tablet or smartphone, the entire lighting system can be operated clearly and conveniently during ongoing operation via a modern HTML 5 web user interface. Through the visualization of operating data, the user is informed at all times about the current operating status of the entire lighting system and can intervene manually if necessary. Simultaneously accessing several lighting management controllers from the visualization is also possible. Depending on the number of controllers to be operated, three different license types are available. The visualization can be easily adapted to individual requirements. In addition to language and color settings, HMI devices, users, rooms and custom profiles in particular can be created and managed. Profiles make it possible to associate an individual user interface with each HMI device or user.

Visualization – S; 1 controller; Item No.: 2759-2101/271-1000
Visualization – M; up to 3 controllers; Item No.: 2759-2102/271-1000
Visualization – L; up to 10 controllers; Item No.: 2759-2103/271-1000

Notes

Note	The “Lighting Management” Software is a pre-programmed application based on the CODESYS Development Environment and can be used for both PFC200 G2 Controllers or Touch Panels 600. To download the application and license to the device, WAGOupload software is required, which can be obtained free of charge from the WAGO homepage. Internet connection may be required for license activation.

Software data

Supported devices	750-8212: PFC200; G2; 2ETH RS Web Panel 400

Delivery

License type	License for a maximum of 3 controllers
Delivery type	License certificate by email (software available for download)
License generation	DRM

Data Act

Pre-contractual Information	Data-Act-SOL-Application-Visualization-Lighting-Management

Commercial data

PU (SPU)	1 pcs
Packaging type	not specified
Country of origin	QU
GTIN	4055143962698
Customs tariff number	88888888888

Product Classification

ETIM 10.0	EC002537
UNSPSC	43233603
ETIM 9.0	EC002537
ECCN	NO US CLASSIFICATION

Environmental Product Compliance

RoHS Compliance Status	Compliant,No Exemption
