

# MODEL BLP 73M

UNIT 1

ILLUSTRATED PARTS BREAKDOWN

From Serial Number:

Rev. D - May 2012

# MODEL BLP 73M

## UNIT 2

## PARTS LIST

| Pos. | Code NR  | Description                | Rev. D - May 2012 |
|------|----------|----------------------------|-------------------|
| 1    | 4160.740 | OUTLET GRID                |                   |
| 2    | 4162.749 | COMBUSTION CHAMBER         |                   |
| 3    | 4162.746 | COVER                      |                   |
| 4    | 4162.893 | PLASTIC HANDLE             |                   |
| 5    | 4162.745 | FAN                        |                   |
| 6    | -        | ELECTRIC MOTOR (*)         |                   |
| 7    | 4160.739 | INLET GRID                 |                   |
| 8    | 4162.733 | ELECTRIC MOTOR BRACKET     |                   |
| 9    | 4162.909 | SAFETY THERMOSTAT COVER    |                   |
| 10   | 4162.910 | SAFETY THERMOSTAT          |                   |
| 11   | 4160.731 | IGNITION ELECTRICAL FOLDER |                   |
| 12   | 4106.042 | INTERRUPTED THERMOCOUPLE   |                   |
| 13   | 4162.870 | PLATE BURNER               |                   |
| 14   | 4160.646 | GROMMET                    |                   |
| 15   | 4160.646 | GROMMET                    |                   |
| 16   | 4161.854 | BLOCK FOR NOZZLE           |                   |
| 17   | 4160.048 | GAS INLET NOZZLE           |                   |
| 18   | 4160.283 | WASHER                     |                   |
| 19   | 4162.479 | VALVE ROD                  |                   |
| 20   | 4160.688 | SAFETY VALVE               |                   |
| 21   | 4160.299 | REDUCTION NIPPLES          |                   |
| 22   | 4160.963 | ELECTROVALVE               |                   |
| 23   | 4160.962 | REDUCTION NIPPLES          |                   |
| 24   | 4162.724 | COPPER TUBE                |                   |
| 25   | 4160.770 | GAS NOZZLE                 |                   |
| 26   | 4160.967 | ELBOW                      |                   |
| 27   | 4160.539 | ELECTRICAL CABLE           |                   |
| 28   | 4160.635 | KEEPER WIRE                |                   |
| 29   | 4162.853 | LOWER PLASTIC BASE         |                   |
| 30   | 4162.597 | PIEZO IGNITOR              |                   |
| 31   | 4160.637 | SWITCH                     |                   |
| 32   | -        | CAPACITOR (*)              |                   |
| 33   | 4160.646 | GROMMET                    |                   |
| 34   | 4160.639 | RIVET POP                  |                   |
| 35   | 4162.719 | HIGHER PLASTIC BASE        |                   |
| 36   | 4106.043 | THERMOCOUPLE NUT           |                   |
| 37   | 4160.467 | GAS BURNER                 |                   |
| (*)  | 4160.958 | ELECTRIC MOTOR             |                   |
|      | 4110.293 | CAPACITOR 5µF              |                   |
|      | 4160.047 | ELECTRIC MOTOR             |                   |
|      | 4110.294 | CAPACITOR 8µF              |                   |

# MODEL BLP 73M

## UNIT 3

## RECOMMENDED SPARE PARTS

| Pos. | Code NR  | Description                | Rev. D - May 2012 |
|------|----------|----------------------------|-------------------|
| 6    | -        | ELECTRIC MOTOR (*)         |                   |
| 9    | 4162.909 | SAFETY THERMOSTAT COVER    |                   |
| 10   | 4162.910 | SAFETY THERMOSTAT          |                   |
| 11   | 4160.731 | IGNITION ELECTRICAL FOLDER |                   |
| 12   | 4106.042 | INTERRUPTED THERMOCOUPLE   |                   |
| 20   | 4160.688 | SAFETY VALVE               |                   |
| 22   | 4160.963 | ELECTROVALVE               |                   |
| 30   | 4162.597 | PIEZO IGNITOR              |                   |
| 32   | -        | CAPACITOR (*)              |                   |
| 36   | 4106.043 | THERMOCOUPLE NUT           |                   |
| (*)  | 4160.958 | ELECTRIC MOTOR             |                   |
|      | 4110.293 | CAPACITOR 5 $\mu$ F        |                   |
|      | 4160.047 | ELECTRIC MOTOR             |                   |
|      | 4110.294 | CAPACITOR 8 $\mu$ F        |                   |
