

CORDLESS DRILL

- Powerful cordless drill – ideal for the home, garden, construction site or mobile use
- Maintenance-free, particularly efficient, brushless motor with longer run time and service life as well as low wear
- Cordless work with the Scheppach IXES 20 Volt series – all batteries and chargers belonging to this system series can be combined with the cordless drill
- High output, thanks to a max. 60 Nm torque
- 25 torque levels und 1 drilling level allow operation to suit the material and application
- Steplessly adjustable speed using the On/Off switch
- With clockwise and anti-clockwise function
- Quick switching between functions without the need for tools
- The high-quality and robust quick-release metal chuck has a capacity of 1.5 to 13 mm with automatic spindle locking
- Speed configuration using powerful 2-gear drive and impact mechanism that can be selected
- Practical LED work light with additional 10 seconds of light after switching off the drill ensures perfect lighting even in poor lighting conditions
- Practical belt clip – ideal when working on a ladder
- Battery and charger available separately

- ✓ Screw function
- ✓ Drill function

Ergonomic, compact design with soft-grip handle ensures high operating comfort

2-gear drive

High-quality and robust quick-release metal chuck

LED

Product features  
BRUSHLESS MOTOR

- Maintenance-free, brushless motor technology
- Service life up to 10 times longer
- Lower thermal motor load
- Maximum efficiency, thanks to ideal power transfer
- Longer battery life, thanks to lower power consumption

SPECIFICATIONS

Dimensions L x W x H	200 x 200 x 80 mm
Motor type	Brushless motor
Max. torque	60 Nm
Torque levels	25 + 1
Nominal and idle speed	1st: 0 – 450 rpm 2nd: 0 – 1600 rpm
Chuck	1.5 – 13 mm
Locking function	automatic
Battery voltage	20 V

Battery and charger available separately

LOGISTICAL DATA

Weight net / gross	1.2 / 1.5 kg
Packaging dimensions	245 x 255 x 85 mm
Article number	5909239900
Barcode	4046664216728
20 Container	4225 pcs
40 Container	8925 pcs
40 HQ Container	10,500 pcs

EXAMPLES OF USE  
SUITABLE FOR

Workshop

Construction site

House

Garden

25 torque levels and 1 drilling level allow operation to suit the material and application.

Quick switching between functions without the need for tools.

Speed configuration using powerful 2-gear drive.

PRODUCT DETAILS

60 Nm torque

Chuck Ø  
1.5 mm – 13 mm

1st gear: 0 – 450 rpm  
2nd: 0 – 1600 rpm

20 V

LED work light

Belt clip

UNIVERSAL USE

Thanks to its 2-in-1 function, the BC-DD60-X can be used for screwing and drilling work around the house, garden or construction site.

High output, thanks to a max. 60 Nm torque.

Steplessly adjustable speed using the On/Off switch

Practical LED work light ensures perfect lighting even in poor lighting conditions

Practical belt clip – ideal for working on a ladder.
