

1/4 INCH CORDLESS IMPACT SCREWDRIVER

- Powerful cordless impact screwdriver – a practical all-rounder for the home, garden, construction site or mobile use
- Cordless work with the Scheppach IXES 20 Volt series – all batteries and chargers belonging to this system series can be combined with the cordless impact screwdriver
- Easy bit replacement, thanks to 1/4 inch hex socket holder with locking sleeve
- Powerful motor, up to 180 Nm torque
- Steplessly adjustable speed from 0 – 2800 rpm using the On/Off switch
- High impact rate of 3,600 bpm – suitable also for more demanding tasks
- With clockwise and anti-clockwise function
- Integrated LED light with additional 10 seconds of light after switching off the device ensures perfect illumination of the working environment
- Practical belt clip – ideal when working on a ladder
- Ergonomic and compact design with soft-grip handle ensures comfortable operation
- Battery and charger available separately

Product features
CORDLESS IMPACT SCREWDRIVER

- Significantly higher torque compared with cordless screwdrivers without impact function
- Ideal for more demanding tasks, such as inserting screws into metal
- Axial impact reliably loosens even stubborn screws or nuts
- Work is particularly gentle on the joints

Ergonomic, compact design with soft-grip handle ensures high operating comfort

Battery and charger available separately

LOGISTICAL DATA
