

1/2 INCH CORDLESS IMPACT SCREWDRIVER

- Powerful cordless impact screwdriver – a practical all-rounder for the home, garden, construction site or mobile use
- Maintenance-free, particularly efficient brushless motor with longer run time and service life as well as low wear
- Cordless work with the Scheppach IXES 20 Volt series – all batteries and chargers belonging to this system series can be combined with the cordless impact screwdriver
- 1/2 inch holder with friction ring, ensuring secure positioning and easy replacement of the attachments
- Wide range of uses, thanks to two torque levels: 180 Nm and 350 Nm and a maximum breakaway torque of 370 Nm in anti-clockwise operation
- High impact rate of 0 to 3600 bpm – also suitable for greater challenges
- With clockwise and anti-clockwise function
- Integrated LED work light with additional 10 seconds of light after switching off the device ensures perfect lighting of the working environment
- Steplessly adjustable speed and practical quick-stop function in anti-clockwise operation – the device turns off as soon as the screw has become loose to prevent it from falling down
- Practical belt clip – ideal when working on a ladder
- Ergonomic and compact design with soft-grip handle ensures comfortable operation
- Battery and charger available separately
- Includes 3x socket wrenches (17 mm, 19 mm, 21 mm)
