Part of the battery platform
20V LIXES
ONE BATTERY FOR ALL DEVICES

2IN1 CORDLESS STRIMMER

- Powerful cordless lawn trimmer for narrow areas or for cutting lawn edges
- Practical 2-in-1 function: lawn trimming and edge cutting
- Cordless work with the Scheppach IXES 20 Volt series – all batteries and chargers belonging to this system series can be combined with the cordless lawn trimmer
- Individual line system with fully automatic feed
- Cutting head can be rotated and adjusted by 90° – ideal for vertical areas and lawn edges
- Telescopic shaft can be extended by 270 mm – ensuring an ergonomic working posture
- Easy spool replacement without the need for tools
- Non-slip soft-grip handle with safety switch
- 1.6 mm individual nylon line with 300 mm cutting width
- Spacer wheel ensures clean cutting of the lawn edge
- Additional adjustable handle
- Fold-out plant protection bracket protects flowers, plants and other sensitive objects from damage
- Battery and charger available separately
- Includes 2x line spool (1x pre-assembled)

Cutting head
can be adjusted without the need for tools

Fold-out plant protection bracket
protects flowers, plants etc. from damage

PRODUCT DETAILS

Cutting width
max. 300 mm

20 V

Telescopic shaft

max. 270 mm

Automatic line feed

Telescopic shaft can be adapted to the user's body height – can be steplessly adjusted in length up to 270 mm.

Thanks to its adjustment options, the C-LT300-X is perfect for slopes.

Thanks to the rotatable cutting head, even areas with difficult access can be processed.
