

CORDLESS HAMMER DRILL

- Powerful cordless hammer drill with 4-in-1 function: Drilling, hammer drilling, chiseling and chisel position adjustment
- Maintenance-free, particularly efficient brushless motor with longer run time and service life as well as low wear
- Cordless work with the Scheppach IXES 20 Volt series – all batteries and chargers belonging to this system series can be combined with the cordless hammer drill
- Additional handle that can be rotated by 360° allows safe drilling and guidance of the tool
- Powerful 2.2 J impact, up to 5500 bpm
- Depth stop made of robust metal for targeted drill holes that can be reproduced
- The SDS-Plus chuck allows tool-free switching of drills
- Central selection switch for quick changing between functions without the need for tools
- Ergonomic and compact design with soft-grip handle ensures comfortable operation
- Integrated LED work light with additional 10 seconds of light after switching off the drill ensures perfect lighting
- Battery and charger available separately
- Includes additional handle and metal depth stop
- Includes 20 V Scheppach IXES 2 Ah battery and 2.4 A battery charger

INCLUDED

Product features
BRUSHLESS MOTOR

- Maintenance-free, brushless motor technology
- Service life up to 10 times longer
- Lower thermal motor load
- Maximum efficiency, thanks to ideal power transfer
- Longer battery life, thanks to lower power consumption

Drilling
Hammer drilling
Chiseling
Chisel orientation

Ergonomic and compact design with soft-grip handle ensures comfortable operation

SPECIFICATIONS

Dimensions L x W x H	200 x 200 x 80 mm
Motor type	Brushless motor
Impact force	2.2 J
Impact rating	5500 bpm
Max. idle speed	1400 rpm
Max. drill hole diameter	24 mm (concrete and stone), 13 (metal), 27 mm (timber)
Battery voltage	20 V

LOGISTICAL DATA

Weight net / gross	3.2 / 3.9 kg
Packaging dimensions	505 x 250 x 100 mm
Article number	5909241400
Barcode	4046664222835
20 Container	1686 pcs
40 Container	3562 pcs
40 HQ Container	4186 pcs

- ✓ Drilling
- ✓ Hammer drilling
- ✓ Chiseling
- ✓ Chisel orientation

EXAMPLES OF USE
SUITABLE FOR

Workshop

Construction site

House

Garden

Tool switch for quick changing between functions without the need for tools.

LED work light ensures perfect illumination even in poor lighting conditions.

Additional handle that can be rotated by 360° allows safe drilling and guidance of the tool.

The SDS-Plus chuck allows tool-free switching of drills.
