

180 BAR
ELECTRICAL HIGH-PRESSURE CLEANER

- Powerful electric high-pressure washer – ideal for the yard, garden or construction site
- Powerful 2,400 W motor with a maximum pressure of 180 bar
- Fast cleaning of dirty surfaces with max. 480 l/h
- Quick-connect system allows easy and rapid replacement of the attachments
- Integrated hose reel with hose guide for convenient work and easy storage of the pressure hose
- Practical bracket for nozzle attachments right on the device
- 5 m high-pressure hose provides a particularly large working radius
- Durable, thanks to high-quality, corrosion-resistant aluminium pump
- Energy-saving, automatic activation and deactivation – motor starts only when the pistol handle is pressed
- Intake function allows flexible use of external water sources
- (additional special accessories required – separately available)
- Integrated 1,150 ml detergent tank
- Large wheels and handle ensure easy transport
- Includes adjustable nozzle, turbo nozzle, surface cleaner, cleaning brush, rotational brush, cleaning lance with extension, cleaning needle, Kärcher adapter, detergent tank
