2.0 Ah

80 min

4.0 Ah

160 min

Specification per battery charge
Running time and performance may vary depending on external conditions.

16 steel blade knives with a diameter of 200 mm – for effective and thorough soil cultivation.

Easy transport and space-saving storage thanks to the folding handle that can be folded down without the need for tools.

Comfortable handle for fatigue-free working.

2-point safety switch for controlled operation and protection against accidental start-up.

Cordless garden tiller, ideal for small and medium-sized areas for loosening soil, removing weeds, preparing seeds or working in fertiliser.

Large wheels for easy transport and quick, tool-free switching between transport and work mode thanks to the quick-release fastener.

Robust protective guard prevents damage from flying stones and foreign objects.

30 cm 20 cm Max. 140 rpm 4 pcs. 2x 20 V (40 V)
