

LINE LIGHT 2-POST

A+

LINE LIGHT for 2-POST lifts and mobile column lifts

ORIGINAL
SCANGRIP

SINCE 1906

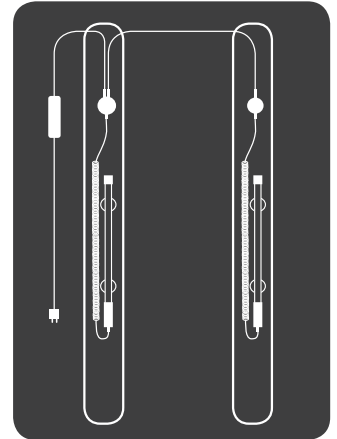

LINE LIGHT 2-POST is always available at hand and ready to use when needed. The lighting unit can be positioned everywhere underneath the car with magnets and can be moved under the car to the actual repair work.

Due to the 5m spiral cable, the lamp can easily be used for illumination around the entire car, or as a dedicated lamp for engine bay or wheel arch illumination. A wide variety of mounting solutions are available as optional accessories, so that the lamp can be placed anywhere on the car: Clip-holder with hook and magnet, flexible arm with clip-holder and suction cup.

- Universal all-in-one solution with LINE LIGHT DIMMER
- Fits all 2-post lifts and mobile column lifts regardless of type
- Designed to be mounted on existing lifts
- Integrated part of lift
- Easy and uncomplicated to mount
