

## 2800 W SILENT ELECTRIC GARDEN SHREDDER

Use this electric low noise shredder to turn your garden debris into a healthy organic mulch for your garden. It creates a compost from branches, sticks and leaves.

- Quieter and cleaner operation. Quieter than standard shredders
- The cutting roller of the "low noise system" turns 100 times slower than a cutter disc
- Maximum branch thickness 45 mm
- Roller / crusher cutting system with counter roller
- Comes with 55 L integral collection box
- Minimal energy consumption
- Large wheels designed for maximum portability
- Tempered cutting roller made of special steel

### 2in1
